

Motor yacht AMZ - Greek Charter Yacht

Yacht Charter Description

Luxury motor yacht AMZ is a 41,76m (137') yacht built by Marinteknik Verkstads, in Sweden. She is a classic yacht with a beautiful design offering the best of modern yachting. Her interior and exterior deck space has been well planned combining space and elegance with modern sophistication. M/Y AMZ can accommodate up to 11 guests overnight and can cruise with 17 guests.

AMZ main deck salon is accessed via double doors from the aft deck. This area consists of a well-appointed seating area, games table, TV, video system culminating in the dining saloon. The open layout creates a genuine feeling of space and also allows for three separate uses of this area at the same time. On the main deck forward, with excellent visibility through panoramic picture windows, is the owner's suite, with en-suite marble bathroom, Jacuzzi bath and separate rain shower. On the lower deck are 4 cabins, each with en-suite bathrooms. The single cabins and additional salon with bar are located on the upper deck.

AMZ's outdoor areas are ideal for either sun bathing or relaxing in the shade. Forward of the wheelhouse is a large circular sun bathing area. There is tender storage on the boat deck which, when the tenders are launched, gives a large deck entertainment area which can be used for a variety of functions and is equipped with a full tent and has its own dining-bar facilities. There is also a Jacuzzi on this deck. On the yachts sundeck there is further sunbathing areas including fixed seating at the aft, sundeck chairs and a circular cushioned area on top of the upper salons skylight. El fresco dining is possible on the aft deck

AMZ was totally rebuilt in 2002 and has two 1200 HP V8 cylinder MTU turbo charged diesel engines with water Jet Propulsion (which are noise and vibration free). She has a crew of 8 ready to welcome you on board for your next carter vacation in Greece!
